OIL PROGRESS ALBERTA BOON PREMIER SAYS

Will Be Big Factor In Reducing Taxes, Aberhart Tells Meeting

Exclusive to Edmonton Bulletin
VERGUEVILLE, July 14.—Development of the Turner Valley oil field, coupled with proposals to pipe oil east and west, will be a big boon to Alberta and should be a factor in reducing taxation, Premier William Aberhart declared here Thursday night during the course of his speaking tour through this part of the province.

Hon. E. C. Manning, provincial secretary, also spoke at the meeting, which numbered about 1,200.

The premier linked up petroleum of the Peace River oil fields with Turner Valley in his forecast for fast development in the oil industry.

INDUSTRIAL CENTRE

He further claimed that if Alberta were given its right to extend its boundaries further north, this province would outstrip Ontario as the industrial centre of the Dominion.

Declaring that he was not asking for votes, that a man who did his work efficiently did not need to, Premier Aberhart appealed to the people to use their intelligence when voting at the forthcoming elections.

Establishment of a farm machinery repair branch by the Alberta government, was forecast by the premier, who said, "In a few weeks time, hard-pressed Alberta farmers will be able to get their machinery repaired through the government cheaper than from their local dealers." Details of the plan were not revealed.

Mr. Manning told the gathering that at the next elections it would be a choice of fighting for economic freedom or "throwing up your hands and going back to the old political parties. If the people of Alberta stood by Social Credit it would boost the movement all over Canada."

NEW DEMOCRACY

Referring to the growth of the New Democracy movement led by W. D. Herridge, William Hayhurst, Social Credit M.P. for Vegreville and chairman of the meeting, said the movement was rapidly spreading across Canada.

Dr. J. L. McPherson, Social Credit M.P. for Vegreville, also spoke briefly, and Orvis Kennedy, Social Credit M.P. for East Edmonton, occupied the platform.

Alberta Has Cut Debt
Aberhart Tells Meeting
LAMONT, July 14.—A comprehensive review of the outstanding government assets and policies of the various parties in power since the formation of the province in 1905 up to the present time was given by Premier Aberhart at Lamont Thursday when he addressed a meeting attended by some 300 persons.

The premier stressed the fact that from 1905 to 1933, when the present Social Credit government came into power, the debt of the province grew to the huge total of \$41,000,000 and that since 1933 not only had the Social Credit government reduced the debt but it had also reduced it to \$1,000,000 and that since 1933 not only had the Social Credit government reduced the debt but it had also reduced it to \$1,000,000 and that since 1933 not only had the Social Credit government reduced the debt but it had also reduced it to \$1,000,000.

Other speakers who spoke briefly were Hon. E. C. Manning, provincial secretary; Orvis Kennedy, M.P. for Calgary; M.A. Wm. Tunney, M.L.A. and Floyd Baker, M.L.A. who acted as chairman of the meeting.

MEN ESCAPE DROWNING IN RIVER FORD

Wagon Swept Away As Forest Rangers Cross—Swim To Safety

Exclusive to Edmonton Bulletin
ROCKY MOUNTAIN HOUSE, July 14.—McAlpine and H. Sawyer, forest rangers in the Clearwater forest reserve here, and B. Bent had a narrow escape from drowning on Sunday when attempting to ford the Clearwater river at its mouth, seven miles west of the Clearwater range station and about 16 miles southwest of town.

With a team and wagon, they were returning to the ranger station from a patrol in the mountains and when attempting to ford the Tay, found it much higher than when they had crossed three weeks before. The horse bolted off the wagon, and the swift current washed the three men and all the luggage out of the box.

The men had great difficulty in swimming to shore, but made it, and the team swam out, dragging the wagon with them. Bent, dazed by the shock, swam to the shore and on reaching it, found that Sawyer and McAlpine and the team were on the other side. There was nothing he could do but rest a while, then swim across to join his companions.

Not a thing in the wagon was saved. Bent's foot, however, took all wet, including a brief case of tools. Sawyer's clothes contained valuable reports and about \$50 in cash. The men walked down the river, hoping to salvage the wagon, but it was swept out of sight long before they reached it. Riding on the frame of the wagon, they drove to the ranger cabin.

**RAIL PIONEERS
OF EARLY 80'S
HOLD REUNION**

CALGARY, July 14.—The railroad men of the West Wednesday night, that is, fast-diminishing band of railway pioneers who helped push the Canadian Pacific westward in the stirring days of the early eighties.

Members of the Southern Alberta Pioneers' Association, themselves hoary-headed plannings of the frontier, dined their brothers of steam and steel who worked on construction and operation of the line between Fort William and the Pacific coast in 1933.

It was small but select assembly, with a total guest list of 26 but only a dozen who actually answered the call. One noted absentee who sent his regrets was Sir Herbert Holt, of Montreal, chief construction engineer in 1883. D. C. McKinn, chairman of the Canadian Pacific Railway also sent his regrets from Montreal, as did others from Victoria, B.C. to New York City.

The guests of honor were praised for their Herculean efforts of the early days by other old timers who said they had looked to those pioneer railroaders and those who had succeeded them for guidance and leadership. "We owe them a debt of gratitude that can never be adequately expressed," said Harold W. Riley, a plains veteran of '98.

Held in the pioneer log cabin at the Calgary stampede, the historic reunion was an outstanding event in a crowded day at the western city's week of old-time remembrance.

ALBERTA OIL DEVELOPMENT IS DISCUSSED
OTTAWA, July 14.—A group of British oil interests have just concluded conferences with the mines and resources department regarding developing the Alberta oil fields from a marketing standpoint. It was learned last night. No decisions were reached.

The conference was one of several held here in recent weeks in connection with the Alberta field. Recently British and Canadian oil interests discussed with the Dominion cabinet possibilities of expanding markets by construction of gas pipelines from the Alberta fields to the Pacific coast and to the head of the Great Lakes.

Mortgage Bank To Hold Its First Meeting Today
OTTAWA, July 14.—The first meeting of directors of the Central Mortgage Bank will be held here today at the Bank of Canada when a study will be launched to ascertain which province will require special legislation before the bank can operate within their boundaries. Lawyers specially quired to assist in this study will be engaged.

M. Luckovich Is C.C.F. Candidate
Vegreville Riding
Michael Luckovich, Vegreville, was nominated C.C.F. candidate for the Vegreville federal riding at a nominating convention held Thursday at Willington. Mr. Luckovich was a member of parliament for this riding in the 1920-35 parliament, being defeated in the 1930 general election by W. A. Hayhurst, Social Credit candidate.

According to the authorities, an automobile burns more gas per mile in cold weather than in the warmer months.

Dr. H. Galloway, Prominent Surgeon, Dies At Age Of 73

WINNIPEG, July 14.—Dr. Heinrich P. H. Galloway, 73, prominent Canadian surgeon, died in hospital here early Thursday following a short illness. Dr. Galloway suffered a heart attack last week.

Recognized by the medical profession as one of North America's leading surgeons, he served as president of the American Orthopaedic Association, president of the Manitoba Medical Association and president of the Winnipeg Medical Society.

Dr. Galloway contributed numerous articles on all branches of surgery to medical journals throughout Canada and the United States. He is survived by his wife, two daughters, Mrs. J. S. Macpherson, Toronto, and Mrs. J. H. Hilliard, Santa Maria, Cal., and a brother, G. A. Galloway of Winnipeg. Funeral arrangements have been completed.

FARM ACREAGE DATA MUST BE IN BY AUGUST 1

REGINA, July 14.—Farmers seeking awards under the acreage bonus legislation of the federal government should have full acreage information as to acreage under cultivation in the hands of bona fide owners not later than August 1.

Mr. Mackenzie explained that this year, because of the difficulty in getting the scheme in operation, a certain amount of latitude would be allowed farmers who failed to have their returns in by that date.

Leading Medics To Attend School For Tuberculosis
MONTREAL, July 14.—Second annual post-graduate school in tuberculosis, sponsored by the St. Paul Sanatorium, will begin a week's session here Monday with some of the leading figures in Canadian and American medicine expected to attend. Main purpose of the course is to provide general practitioners, interested in the care of tubercular cases, with a thorough course of instruction in the most advanced forms of treatment.

Crop Insurance Is Sought By C.C.F.
SASKATOON, July 14.—Immediate institution of a system of crop insurance in western Canada was asked of the federal government in a resolution carried by the fourth annual convention of the Saskatchewan Co-operative Commonwealth Federation here today.

HEAVY FIGHTING ON DISPUTED BORDER ENDS

By RUSSELL BRINES
Associated Press Foreign Staff

HARBIN, Manchuria, July 14.—The heavy fighting at Nenomachi on the disputed border of Manchuria and Soviet Russia ended here today, but recurrent skirmishes in that border region are to be expected because the Japanese consider outer Mongolia a salient toward their empire in the making.

In a vast prize pooled thinly by nomads and peasants of several races, Manchuria and Soviet Russia, and appeals already have been made for colonists to aid the "national defense."

Nomadic Mongols on the plains have apparently been expelled from the district between the Japanese in their protectorate and Soviet troops in outer Mongolia, both sides obviously intending to impress the silent, roving platoon.

Six Army Tanks Will Carry Byrd Over Antarctica
BOSTON, July 14.—Six army tanks will carry Rear Admiral Richard E. Byrd and members of his expedition to the South Pole by winter.

Disclosing plans for the expedition which will leave this night, Byrd said that the tanks will be used to believe the tanks would be more effective than tractors on the snow because of their wider and longer tread.

MACKENZIE SAYS HEPBURN VISIT FRIENDLY ONE
VANCOUVER, July 14.—Defense Minister Ian Mackenzie said on his arrival here last night by train that his visit to Premier Heppburn's farm was "a friendly visit."

Mr. Mackenzie said he did not wish to discuss further the report published in the Toronto Globe and Mail recently that he visited Mr. Heppburn as a "dove of peace" attempting to obtain the Ontario premier's support for the government of Prime Minister Mackenzie King.

The Toronto newspaper quoted "usually reliable sources on Parliament Hill" as saying Premier Heppburn and Premier Duplessis of Quebec may "actively join" the forces opposing the prime minister's government. It said there is a "strong possibility" the two premiers will "openly support Hon. Dr. Robert J. Manion," Dominion Conservative leader.

Mr. Mackenzie said he will remain at the coast city about 10 days.

Soltice Is Freed Of All Blame In Death Of Shinners

CALGARY, July 14.—Convicted jury last night exonerated Frank Soltice of Calgary of all blame in connection with the death of Vincent P. Shinners of Calgary, killed Wednesday night on the Pacific trail, 18 miles west of here.

Shinners, former Edmonton chiropractor, was a passenger in Soltice's machine when it left the road, ran into the ditch and struck an obstacle.

Soltice's body was forwarded to Edmonton where, it is expected, will take place Saturday.

SASKATOON, July 14.—George H. Williams, Regina, M.L.A., was re-elected president of the Saskatchewan Council of the Co-operative Commonwealth Federation here yesterday at the fourth annual convention. Peter G. Makaroff, K.C., Saskatoon, was elected vice-president.

IF HE WANTS REAL CREAM OF TOMATO SOUP BE SURE IT'S HEINZ

Men love the definite, distinctive taste of this real Cream of Tomato Soup. It gives them the flavor of pedigreed, red-ripe tomatoes—Heinz "aristocrats." Made with real cream—thick, rich, appetizing. Pure, fragrant, antiseptic aids and their tang and zest.

"Homemade" methods—cooking in small batches and sealing fresh and hot from the shining kettles—place Heinz Soups in a class by themselves. To serve—simply heat and pour into plates.

Youth Buys Store On Credit: Owner Fails To Come In And Collect

PENASCOLO, Fla., July 14.—In September, 1936, 20-year-old Charles E. Gray walked into Richard Henderson's grocery, asked for a pack of cigarettes and started a strange business career which Gray described today like this:

"I want to buy the store," Henderson asked me. "How can I buy the store? I don't have any money. Why I made only \$7 a week and I'm buying three cigarettes on credit?"

"You don't need any money. Take and pay me \$10 a month." "I accepted the proposition. Henderson picked up his hat and walked out."

"He hasn't been back since. I don't know where he is and I haven't paid him the first \$10. Since that deal was closed, Gray has moved the store to a better location, tripled the stock, bought a car and got married."

SUMMER BREEZES
In summer, a gentle breeze wafts over the sea. Put another way—you get dirt blown in your eye in the summer.

As the breeze blows, sailboats skim over the water, windmills creak and turn, clouds dance on the mountain tops, and the ball that would have won the ball game for the Apple Ridge High School baseball team gets blown over on the wrong side of the foul line.

So far, no one has blamed the depression on the Trade Winds for blowing them wrong.

Good Writing Helps You Win Attention

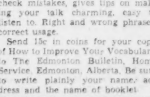

Interested—Don't Bore!
Oh, dear! Jack's looking at his watch again—and the date with Ruth's only an hour and a half. It's as easy to interest as to bore. Find out what's wrong with your talk, get rid of nervous faults. Do you reply to every remark with the same ready phrase, such as "it sure is" or "and how"? Break the irritating habit, try "how interesting," "I think so, too," for a while. Or do you make friends with words which have "sore" tined for "rather tired," "would of been" for "would have been?" To be valued good company you need to add to your vocabulary, too. Don't be vague. To say "she has a pretty home" means little. Be clear, vivid, say "striking, modern house," "charming cottage," or "bright, cozy apartment."

Instead of the walked down the street," say "the ambled by the street"—use the exact graphic word.

Our 25-page booklet helps you check mistakes, gives tips on making your talk charming, easy to listen to, right and wrong phrases, correct usage.

Send in the coupon for your copy of How to Improve Your Vocabulary to The Edmonton Bulletin, Home Service Edition, Alberta, be sure to write plainly your name, address and the name of booklet.

Roger Waters Beaten By Shorts Purcell

ROGER WATERS lost his Edmonton and district men's open singles title at the Glenora Club Thursday when he was defeated by Andrew "Shorts" Purcell in a grueling five set match. Purcell won at 3-6, 6-3, 6-4, 6-4.

The match was a semi-final in the annual Edmonton and district championships now in progress at the Glenora club. As a result Purcell passed into the final round, where he will meet the winner of the Harry Kinloch vs. Bill Stark semi-final which is slated for Friday afternoon.

The Waters-Purcell match Thursday also drew from both contestants, splendid displays of good sportsmanship.

There were approximately 1,000-2,000 new cars during the whole year of 1938.

FIGHTS LAST NIGHT

NEW YORK—Billy Conn, 1794, Pittsburgh, outpunched Melio Belina, 1794, Beacon, N.Y., (15) for light heavyweight championship. SIOUX CITY, Ia.—Nate Holden, 182, Chicago, outpunched Tommy Corbett, 158, Omaha, Neb. (8).

The match ran the gamut of ups and downs, but hopes raised and dashed to the ground and drew from both contestants, splendid displays of good sportsmanship.

At Waters made an error on match point and saw his title slip from his grasp, the turmoil of battle immediately passed. A broad smile came over his face and he lightly tapped over the net to congratulate the victor. On the other hand Purcell frequently gave expression to his admiration for Waters' shots at the slim blonde passed him across court or down the line. Purcell wrenched his knee at the end of the fourth set and Waters hurried to massage it for him.

It is such splendid examples of sportsmanship that make the game and so long as it is played as these two played, it matters little who wins or loses, especially when the score was so close.

While neither winner or loser played the high class brand of tennis they usually provide, they did rise to the heights on occasions. For the most part they elected to play a moderately-paced game, relying more on placement than speed. Waters made more errors than he usually does.

GALLANT COMEBACK
Purcell made the warmest praise for a gallant comeback. He lost the first set and trailed one set to two at the intermission and was faced with the extremely difficult task of taking three in a row, when there had been little up until that time to justify the belief he could do it.

Then again, Waters showed endurance and courage of the highest order, when in the fifth set with Purcell leading 5-4 and 4-0, he ran the game to deuce and twice it was his advantage, only to have Purcell make the game and with it the match.

Waters opened strongly as Purcell ran into errors and took the first set at 6-3. In the second set, the process was reversed and Waters edged as Purcell agreed on to take the set by the same score. Waters ran out the third set at 6-3 and a terrific struggle took place for the fourth, which Purcell won by a 6-4 score.

After the first game had gone to 4-4 in the fifth set, Purcell broke through to lead 5-4, and then after a ding-dong struggle made good his own service for the match.

PROMISING MATCH
What promises to be one of the greatest battles ever seen here will be the semi-final between Kinloch and Stark. There is promised play of high class driving that probably cannot be equaled by any other play in the province.

Many other matches were played Thursday and a glance at Friday's draw will reveal many more.

Soccer Champions Meet Here Saturday For Provincial Title

CALGARY, July 14.—Hillhurst seniors prepared to meet their last barrier in Alberta—Edmonton Civics—as they move along the road toward their second Dominion Football Association championship in 17 years.

After a slump of several years in the Calgary league, Hillhurst knocked out Calgary Civics and Lehighville for the right to enter the provincial final.

Edmonton Civics or Hillhurst will advance in the interprovincial play-downs after Saturday's sudden death playoff at Edmonton. Both Columbia's champions, defending the Dominion title, will be the next opponents.

Civics on the other hand have had steady practice drills every day since they moved along the road toward their second Dominion Football Association championship in 17 years.
